

Cindy Thomas
Senior Accounts Manager

029 2082 9137

cthomas@darwingray.com

Cindy joined Darwin Gray in 2019 after a varied career in finance and administration which began when she was 17 years old. Cindy previously worked at Morgan Rostron, Solicitors for 13 years where she organised the running of the practice including the accounts and administration for the partnership and before that she worked at PKF LLP for 20 years where she became Head of Administration and Personal Assistant to the firm's partners, providing support across the audit, corporate finance, tax, corporate recovery and insolvency departments.

Good humoured and hard-working, Cindy enjoys the team spirit at Darwin Gray where everyone comes together to resolve problems. Cindy is a steady pair of hands with her methodical and analytical approach to work and has a broad range of knowledge in both accounts and administration. Cindy has produced numerous in-house "how to" guides to support the firm when navigating new and old Practice Management Systems.

When she's not at work, Cindy spends her time attending quiz nights with friends, spending time with her family and walking her rescue dog.
