Elliw is an Associate in Darwin Gray's Wills and Probate department, with over 10 years of experience in advising clients on wills, trusts, estate administration, inheritance tax planning, lasting powers of attorney and court of protection applications. She also supports Darwin Gray's award-winning Commercial Property team and deals with all aspects of commercial property transactions such as acquisitions and disposals of freehold and leasehold properties for both public and private sector clients, as well as assisting in residential plot sales and commercial leases.

Having previously worked and trained in a high street firm, Elliw has a broad range of expertise in residential conveyancing and probate matters.

Elliw is a fluent Welsh speaker and can conduct her work through the medium of Welsh or English and is based in our north Wales office.

Professional, concise, proactive and efficient. Just what I wanted. My past experience with solicitors, in a professional capacity has not been great, so it has been a refreshing change dealing with Elliw. I don't generally do reviews, but I have no hesitation in doing so for her
